Development of a 'Hangout guide' chatbot

Project Team:

1. Fadi N. R. Sultan
2. Msuega Jnr. Iorpenda

Our Hangout Guide
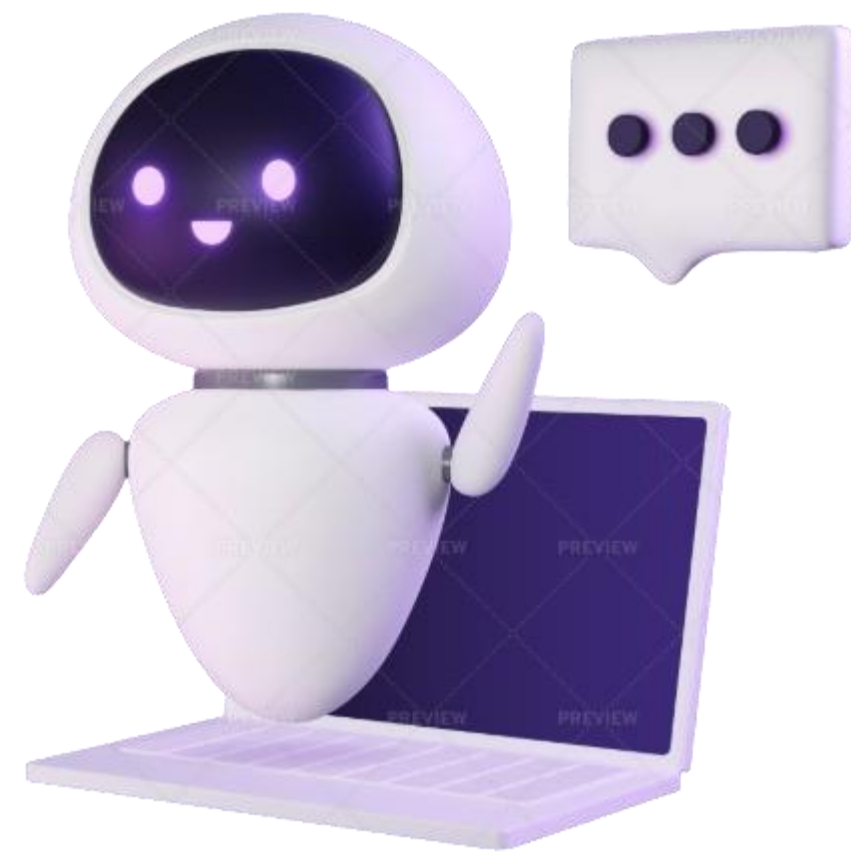

Hi…
I am **Tim**
Lets have some fun

Features:

- **Suggest Locations** – Recommend places (cafés, parks, bars, etc.)

- **Coordinate Schedules** – Find the best time for everyone

- **Manages budget** – Plans hangout based on available budget

- **Group size** – Allow users to decide the hangout group size

- **Activity selection** – Chooses activities sites on request

Tech Stack:

- **Telegram Bot API** - for chat interaction

- **GPT API** for smart recommendations

- **Google Places API** to fetch location details

- **Calendar API** - for scheduling (next update)
